YOUR GUIDE TO WORK, BUSINESS, AND EDUCATION

You want to move to Sweden to work?

Today you can apply for work permits if you get offered a job that pay above Swedish minimum wage. In 2024 a new system will be in place that favours highly qualified occupations and advanced university competence.

- You have a university degree, and you can support yourself during the period you plan to stay in Sweden you can get a Visa to look for jobs or start a business.
- Have you found a job yourself? We represent you to get relevant permits.
- You don't know where to start? We support with reverse recruitment, to find your dream job!

Process

- You sign an agreement with MiiS to represent you.
- We go through documentation needed, you send required documentations to us, we complete and send in your application
- While waiting you can make decisions on where in Sweden you want to relocate, find accommodation, and start connecting with local business or job opportunities on-line.
- When Visa approved you move to Sweden you start your position, you have time to land your dream job or start your company, we stay with you offering support in your next steps.

You want to start a business in Sweden to relocate?

If you are in a position where you already run a business or plan to start one and you have the finances in place, then you may be eligible to get a permit to live in Sweden to start your business here. In addition to finances, you need experience in your line of work. We represent you setting up your business, including finding partners and customers.

Process

- Together we review your business plan and set a plan what to do. We manage the process setting up a Swedish company as well as applying for permits to relocate to Sweden.
- Starting a Swedish company, setting up all that is needed to comply with Swedish corporate systems.
- Residence permit: We complete and send in your application. Prerequisite, you need to show that you are self-sufficient by proving funds of minimum 20 000
- From your location we help you build your Swedish business, we connect you with relevant people and businesses, we set up social media and outreach activities to kick-start your business.

Visa for studies, research, doctoral exchange student

You need to show proof of acceptance and invitation from Swedish university and have completed studies corresponding to an advanced level degree. Be able to support yourself during the period.

Process

- MiiS sign up to represent your application, we complete and send in your application.
- While waiting you can make decisions on where in Sweden you want to relocate, find accommodation, and start connecting with local business or job opportunities on-line.
- You receive your permit and can move to Sweden. While in Sweden you have time to study and after completion you can apply for additional time to apply for work.
